

December 2008.

FOR IMMEDIATE RELEASE

Central Florida Box Corp. located in Lake Mary, FL has purchased and installed a new high graphics die cutter from Hycorr Machine Corp. of Kalamazoo, MI. The new die cutter prints and die cuts sheets up to 66"x115" while still providing speeds of up to 10,000 sheets per hour. "This investment has given Central Florida Box a leg up on the competition allowing us greater pricing flexibility in the graphics Packaging market", said Jeff Ramsey, President of Central Florida Box. The machine is capable of four color process printing up to 100 line screen. "The Hycorr will be an added option for our customer's graphics packaging needs.

Central Florida Box is located at 2950 Lake Emma Road, Lake Mary Florida. CFB has been serving the graphics packaging market for over 30 years
